## The Wedding of 2014

The big event for the Reynolds family in 2014 was Abigail's wedding. On June 22nd she married Jeremy Smith. Abby and Jeremy are both students at Lincoln Christian University. Jeremy is a seminary student and Abby is in her senior year at the college.

God blessed us in many ways: beautiful day, friends and family, a worship filled wedding... For Myra and I, it was very special to have all the children, spouses, and grandchildren in one place. But our greatest joy and blessing is that each one loves Jesus.

## All in the Family (as of June 22, 2014)

Rebekah, Matt and Bethany Woodrow, Dylan and Carter, Frank and Myra, Abby and Jeremy Smith, Rachel, James, Nathan and Kira (expecting number four), Eva, Delia, and Ellie, Jim and Leah

## Rwanda Challenge 2014

### The Vision

Rwanda Challenge... envisions local church leaders throughout Rwanda who have the capacity to lead the Rwandan Church and become missionaries to neighboring countries.

Gene Andrews (far right) sings songs of praise with the EACL group in January

### Prayer Requests (Phil. 1:9-11)

- Ask for wisdom and discernment for Rwanda Challenge
- Praise God for providing the funds to purchase 100 *Kinyarwanda Study Bibles*
- Seek God for Theophile and Frank as they teach Rwandan church leaders in August and September
- Praise God that some of the Rwandan church leaders taught by Rwanda Challenge have now taught the same lessons for church leaders in neighboring countries

### Next Trip to Rwanda

During August and September, I plan to be in Rwanda for thirty-six days. Theophile, the Rwanda Director of Rwanda Challenge, and I will begin in Kigali with the Equip a Church Leader group. The EACL group is twenty-three church leaders from every province in Rwanda. We study with this group every time I am in Rwanda and there are people in the U.S. who partner with these leaders by providing the expenses of one week for one church leader (\$30 a month for 12 months). Last year this group studied Genesis for three weeks. We are now studying Luke and hope to finish in January.

Next, we plan to welcome two teams from Manchester Christian Church and travel with them to Kibuye and the Kiziba Refugee Camp.

The last four weeks of the trip includes six more groups (20 in each group) in three provinces.

### Special Needs Beyond Regular Giving

- Help Rwandan church leaders teach in neighboring countries. Some of the EACL group have already taught lessons for church leaders in neighboring countries. They would like to continue this ministry, but they lack the funds. Many of these leaders are trying to provide food for their families "today."
- Theophile is in need of a laptop, new or used, in good condition. His old one is beginning to fail. As he serves Rwanda Challenge and the Church in Rwanda he is often traveling around the country.
