

February 2012 Highlights

The February trip was better than I anticipated.

- Team taught seventeen Rwandan church leaders February 6-10.
- Team taught fifty-five Rwandan church leaders February 13-24.
- Met with three mission organizations.
- Rebekah interviewed seventeen Rwandan church leaders.

It was a tremendous blessing to have Bob Paddock from the Cornerstone Church of Christ with me on this trip. We taught “Three Lessons on the Holy Spirit.” During our teaching, it was obvious that the Rwandan Church has a lot of confusion about the Person and Work of the Holy Spirit.

During weeks two and three, Neal Davidson and I taught Ephesians and “Basic Bible Doctrines.” Let me share three testimonies from the church leaders.

“We used to preach. But, now we also teach. What we were preaching was wrong. We didn’t know that John the Apostle and John the Baptist were two different people...”

“Some denominational groups have now asked us to come teach them.”

After teaching that God wanted Christian marriage to be a picture to the world of the Christ/Church relationship, one of the church leaders expressed, “We need to repent.”

The Vision

Rwanda Challenge...
envisioning local church leaders throughout Rwanda who have the capacity to lead the Rwandan Church and become missionaries to neighboring countries.

Rwandan church leaders study the humanity and divinity of Jesus Christ.

Etienne (right) teaches Matthew 5-7 to John.

Proverbs 29:18
A nation without God's
guidance is a nation with-
out order. Happy
are those who keep
God's law!

"Equip a Church Leader"

My daughter, Rebekah, interviewed seventeen church leaders between February 15-22. Now, Rwanda Challenge will offer the opportunity to "Equip a Church Leader" in Rwanda for \$30 a month (\$360 a year). This provides one week of training for one church leader. Write "Equip a Church Leader" in the memo line of your check and Rwanda Challenge will send you your church leader profile.
