Rwanda Challenge is gaining momentum and clarity with each new trip. The significance of Paul's words to Timothy are becoming the watchword for Rwanda Challenge.

...teach these truths to other trustworthy people who will be able to pass them on to others. 2 Tim 2:2

Church leaders are teaching others. Desire has a vision to teach church leaders in the D.R.C. With 3.5 billion people in the world who have never heard the Good News, exponential growth is our only option to fulfill The Great Commission.

Eric Lee, Executive Pastor at Manchester Christian Church, joins Frank and Theophile to teach a new group of church leaders in Kigali

The Vision

Rwanda Challenge... envisions local church leaders throughout Rwanda who have the capacity to lead the Rwandan Church and become missionaries to neighboring countries.

Desire says he is now blessed in his home and his church because of the teachings of Rwanda Challenge. He has a vision to teach church leaders the things he has learned in the country of his birth (the Democratic Republic of the Congo).

The plan was to teach twenty church leaders in the Kiziba (refugee) Camp—twenty soon became seventy-seven.

Equip a Church Leader Week

Gene Andrews teaches "Overview of the Old Testament." Nineteen church leaders joined us in Kigali from every province in Rwanda.

Rwanda Challenge financial goal: \$8,000 a month
Rwanda Challenge commitments: \$3,133.33 a month

Husband/Wife Retreat

Theophile and Frank teach Rwandan couples about Christian marriage from Ephesians 5:21-33. There were many things that made the retreat special. Over fifty couples attended from every part of Rwanda. More than twenty of the wives indicated this was their first visit to the capital city. It was wonderful to see these wives begin to build relationships with one another. The most exciting part of the retreat was the vision of Christian marriage these couples carried home.
