

## 2016 Highlights

**January — Taught five groups of church leaders in Rwanda (Scott McClimans and Isaac Fultz assisted for two weeks)**

**March — Shared Rwanda Challenge with churches in VA/NC**

**May — Taught six groups of church leaders in Rwanda (Gene Andrews assisted for two weeks)**

**June 18 — Rachel's wedding—fifth of five daughters.**

### Two More Milestones for the Reynolds Family

God has demonstrated His faithfulness to Myra and me for decades now. This year on May 24th we celebrated our forty-first anniversary. Also, this year there have been two more events that give testimony to His care and provision for us.

In May, our baby, Rachel, graduated from Johnson University. We did it! We are finished with college. The same daughter was married a month later on June 18. That was our fifth daughter to be wed. Actually, that was three weddings in twenty-four months; three summers (June 2014 - June 2016). It was suggested that we throw a party to celebrate the end of college tuition and our daughters' weddings. I responded that we have no money left.

We may not be rich, but we are blessed. Myra and I do not take for granted that God has blessed us with wonderful children and their spouses that we enjoy. Nineteen of us did celebrate by camping in Acadia National Park the week after the wedding. We thought maybe Rachel and Mitch would want to go with us, but they decided to spend their honeymoon without us.

## Upcoming Events

**August** — return to Rwanda with Tim Maness (going for two weeks) from Axton, VA

**September/October** — share Rwanda Challenge for four weeks with the Northwest School of Missions in Oregon, Washington, and Idaho

**December/January** — Possibility of teaching in Eastern Europe for the end of December and then teach in Rwanda for January.

## Endings and Beginnings

Tim Maness, with the County Line Christian Church, Axton, VA, plans to meet me in Kigali in early August. He will assist me in teaching two groups (Equip a Church Leader and Equip the Next Generation). We plan to finish "A Study of Acts" with the EACL group and finish "A Study of Genesis" with the ETNG group (a year plus study for each group).

Lord willing, while we conclude two studies on this trip, we will also do our final experiment for Web-based teaching. We have upgraded to a higher quality video projector and camera (donated by a couple in eastern North Carolina). We plan to connect with Gene Andrews through Zoom (Zoom Video Conferencing) for our final test. Then in January we will plan to have a New Testament letter taught from the United States (Monday - Thursday in the afternoons (Rwanda) which is AM in VA/NC).

## The Vision

Rwanda Challenge... envisions local church leaders throughout Rwanda who have the capacity to lead the Rwandan Church and become missionaries to neighboring countries.

## Prayer Requests (Phil. 1:9-11)

- Ask for wisdom and discernment in equipping Rwandan church leaders
- Praise God for church leaders like Tim Maness who share in the teaching load
- Seek God for the financial resources needed for regular expenses, for Rwandan church leaders to teach in neighboring countries, and additional *Kinyarwanda Study Bibles* (\$20 each)
- Praise God for generous partners who provide resources like the video projector and accessories used to equip servant leaders in Rwanda
